Hi Chris

I'm just writing to thank you for the excellent re-paint of our narrow boat Alcyone: Olive and I are very pleased with the outcome. We were highly impressed by the thoroughness with which you carried out the work at a difficult time of the year (as it turned out with the weather!), including the subsequent re-installation of windows, portholes etc. The paintwork quality is superb.

We had an uneventful cruise back to our home mooring; in particular the paintwork is still pristine!

We shall recommend your services to our boating friends unhesitatingly.

Thanks again and Best Wishes for the Future

Yours sincerely

Olive and Martin Gilding
